# O que é o Vim?

The image shows a terminal window titled 'vim'. The window displays the Vim startup screen, which includes the text 'VIM - Vi Improved', 'version 7.4.488', 'by Bram Moolenaar et al.', 'Modified by pkg-vim-maintainers@lists.alioth.debian.org', and 'Vim is open source and freely distributable'. Below this, there is a section titled 'Sponsor Vim development!' with three lines of text: 'type :help sponsor<Enter> for information', 'type :q<Enter> to exit', and 'type :help<Enter> or <F1> for on-line help'. At the bottom right, it says '0,0-1 All'. The left side of the window shows a vertical line of tilde characters (~).
